WINE OF THE  
SAINTS

# Saints Hills Winery

In our search for perfection in wine, we are always humbly grateful to our ancestors for leaving this beautiful heritage of Dubrovnik Republic behind, so that we have the world come to our doorstep. It is more than just beautiful walls.

It is also the sunny slopes of Dingač, and the sweet and tasty berries of Plavac Mali grape, turned into wine served at your table. It is the refreshing drop of Pošip from the ancient Korčula Island that tells many stories of Moreška knights, dancing through their victories.

Wine is our way to let you dig deeper into our culture and create beautiful memories. The truth is always hidden inside the bottle.

Cheers!
