PRIVATE TOUR TO KONA VLE

Would you like to experience how locals cook? If your answer is yes, Kameni Dvori offers you the chance to feel and cook as locals do! After arrival, Kameni Dvori will introduce the participants to the hosts and lay out the cooking class program. Depending on the season, desires, and interests of all participants, they agree on a cooking plan with you. This plan varies depending on the available seasonal crops, participants' wishes, and particular interests.

Kameni Dvori explains all the ingredients that you need for the meals. The first step is making homemade bread, and each participant will knead their bread. While the bread rises, they take you to their garden, pick the necessary ingredients, and gather fresh eggs. After you return to the kitchen, you will experience making a tasty traditional meal and cake with those ingredients. They usually prepare their traditional menu Lovorno skewer (meat on bay leaf sticks). Additionally, if you like, you can also experience milking the neighbour's goat!

While the food is cooking, it's wine tasting time. The hosts proudly present their 500-year family tree stories, and you will have an unforgettable local experience with a tailor-made cooking class!

PRIVATE GOURMET TOUR OF PELJEŠAC PENINSULA

HOURS

Explore the beautiful Pelješac peninsula, one of the best wine-growing regions in Croatia, and delight your taste buds with a real feast. The rugged terrain and rocky coastline create a dramatic backdrop to the cultivation of centuries-old vines. Enjoy private wine tastings with light snacks at two of the most renowned wineries of Pelješac.

The first part of the tour takes you on the off-road adventure through vineyards stretching between the Prapratno cove and Ponikve village. The conditions for growing vines here are extremely difficult: steep slopes, rocky and deeply grooved soil. However, this soil and the beneficial Dalmatian sun allow the vines to produce abundant grape bunches, traditionally used to make Croatia's most renowned wines: Dingač, Postup, and Plavac.

Soak up the views while your knowledgeable host navigates the mountain roads and takes you to the vineyard. He will explain every step of the winemaking, followed by a wine cellar tour and a private wine tasting.

A short drive further north and you will discover a mythical region called Dingač, a protected winegrowing zone since 1964. Dingač is a wine of the sun and the rock, with strong, concentrated, and ripe aromas of fruit. Pair it with local style tapas to make the most of this gourmet experience. After the delicious tapas enjoy a scenic ride back to Dubrovnik.

The tour includes: a private luxury car & driver at your disposal up to 8 hours, an off-road guided jeep tour of the vineyard, private wine tastings at two of the most renowned wineries.
