

Beleca Suite

Where beauty reigns

**89 sq. m | 2 guests | 1 bedroom | 1 living room |
1 bathroom | 1 balcony | Extra bed option**

Named after the Old Dubrovnik word for beauty, this suite is bathed in natural light, which puts the beauty of the space in the spotlight, evoking the feeling of cinematic wonder. Its floor-to-ceiling windows frame a cinematic view and, together with the panoramic balcony, offer mesmerizing views of the Adriatic Sea and the city's historic heart. The bathroom stands out with two marble sinks, a walk-in shower, a bathtub, and a wall with a magic glass feature for privacy. The design of the space cleverly uses repetition of shapes and forms and a soothing color palette to create a sense of weightlessness and unquestioning ease - a beauty that can be felt.

Discover the beauty of Dubrovnik from a bright suite with floor-to-ceiling windows, 1 living room, 1 bedroom, and a terrace.

Designed according to the vision of Studio Arthur Casas, with authentic materials such as original Croatian stone and polished wood, the space reflects the rich city's heritage and the beauty of its surroundings. To further highlight this and celebrate the profound Italian influences on Dubrovnik, the room is adorned with iconic pieces by a well-known Italian designer and modernist architect, Gio Ponti. By integrating his furniture design the space pays tribute to one of the 20th century's most complex architects. In this room, you can encounter his desk, coffee table, stool, and side table design. The Hammock Lounge Chair is designed by Rene Gonzalez. The blankets and some cushions are decorated with a one-of-a-kind Dubrovnik "Pattern" inspired by the traditional local costumes. Dubrovnik Floor Lamp and Dubrovnik Sofa are designed specially for this project by Arthur Casas.
