

Deluxe Sea View Room

A front-row seat to the timeless charm of Dubrovnik

40 sq. m | 2 guests | 1 bedroom | 1 bathroom | 1 balcony |
Extra bed option

Here, aesthetics and comfort are fused with astonishing views of the bluest blue you can almost touch and the serenity you certainly feel in every carefully selected and incorporated detail. In addition to the beautiful view of the Adriatic Sea from a panoramic balcony, this room offers a glimpse of the charming Old Town of Dubrovnik (partially visible in some rooms), a bathroom with two marble sinks, a walk-in shower, a bathtub, and a wall with magic glass feature for privacy.

Enjoy a front-row view of Dubrovnik's timeless charm from a designer room.

Designed according to the vision of Studio Arthur Casas, with authentic materials such as original Croatian stone and polished wood, the space reflects the rich city's heritage and the beauty of its surroundings. To further highlight this and celebrate the profound Italian influences on Dubrovnik, the room is adorned with iconic pieces by a well-known Italian designer and modernist architect, Gio Ponti. By integrating his furniture design the space pays tribute to one of the 20th century's most complex architects. In this room, you can encounter his desk, coffee table, stool, and side table design. The Hammock Lounge Chair is designed by Rene Gonzalez. The blankets and some cushions are decorated with a one-of-a-kind Dubrovnik "Pattern" inspired by the traditional local costumes. Dubrovnik Floor Lamp and Dubrovnik Sofa are designed specially for this project by Arthur Casas.
