

Romantiko Suite

Where romance comes to life

**87 sq. m | 2 guests | 1 bedroom | 1 living room | 1 bathroom |
1 balcony | Extra bed option**

A space that awakens emotions. Named after the Old Dubrovnik word for romance, this spacious suite is designed for an unforgettable romantic escape. The forms, shapes, and colors of the space create a sense of ease, optimism, and flow. With floor-to-ceiling windows and a panoramic balcony, it offers a stunning view of the Adriatic sea and the enchanting Old Town - a true love at first sight.

Feel the romance in a spacious designer suite featuring a bedroom with floor-to-ceiling windows and a balcony overlooking the Adriatic Sea and the Old Town.

Designed according to the vision of Studio Arthur Casas, with authentic materials such as original Croatian stone and polished wood, the space reflects the rich city's heritage and the beauty of its surroundings. To further highlight this and celebrate the profound Italian influences on Dubrovnik, the room is adorned with iconic pieces by a well-known Italian designer and modernist architect, Gio Ponti. By integrating his furniture design the space pays tribute to one of the 20th century's most complex architects. In this room, you can encounter his desk, coffee table, stool, and side table design. The Hammock Lounge Chair is designed by Rene Gonzalez. The blankets and some cushions are decorated with a one-of-a-kind Dubrovnik "Pattern" inspired by the traditional local costumes. Dubrovnik Floor Lamp and Dubrovnik Sofa are designed specially for this project by Arthur Casas.
