

Superior Sea View Room

Adriatic splendor at your fingertips

35 sq. m | 2 guests | 1 bedroom | 1 bathroom | 1 balcony

A panoramic balcony with breathtaking views of the shimmering Adriatic Sea, the bathroom with two marble sinks, a walk-in shower, and a magic glass feature for privacy, make this room a true standout. Here, you are at liberty to surrender to the sea greeting you and sun rays calling your name to indulge in the sweetness of life.

Enjoy a breathtaking view of the Adriatic Sea from a panoramic balcony of a sophisticated designer room.

Designed according to the vision of Studio Arthur Casas, with authentic materials such as original Croatian stone and polished wood, the space reflects the rich city's heritage and the beauty of its surroundings. To further highlight this and celebrate the profound Italian influences on Dubrovnik, the room is adorned with iconic pieces by a well-known Italian designer and modernist architect, Gio Ponti. By integrating his furniture design the space pays tribute to one of the 20th century's most complex architects. In this room, you can encounter his desk, coffee table, stool, and side table design. The Hammock Lounge Chair is designed by Rene Gonzalez. The blankets and some cushions are decorated with a one-of-a-kind Dubrovnik "Pattern" inspired by the traditional local costumes. Dubrovnik Floor Lamp and Dubrovnik Sofa are designed specially for this project by Arthur Casas.
